

# ENVIRONMENTAL PROTECTION

## *Keep your Vehicle Looking Brand New!*

### **Paint Protector**

Guarantees that the exterior painted body panels will not be damaged by weather induced fading, oxidation, loss of gloss or surface rust, or become permanently stained by bird droppings, insects, water spotting, acid rain or industrial fallout. Such condition(s) will be repaired free of charge.

### **Carpet/ Fabric Protector**

Guarantees that the treated interior cloth upholstery, carpet and fabric door panel inserts of the vehicle will remain free of permanent stains from the date of application. Should permanent staining occur to the interior fabric of the vehicle, the stained area will be replaced free of charge.

### **Leather/Vinyl Protector**

Guarantees that the vehicle's treated interior leather and vinyl will not be damaged by fading, staining or cracking. Should damage occur, we will repair such condition free of charge.
